A Living Constitution

## Northern Michigan Firewood Company: A Living Constitution

\*For Sovereignty, Solidarity, and the Long Memory\*

### Preamble

We, the originators and stewards of Northern Michigan Firewood Company (NMFC), do not found this for profit alone, but for sovereignty, resilience, and the dignity of those forgotten by traditional power. We believe infrastructure can be just, and that commerce can be culture.

### I. Purpose

To build a decentralized, regenerative, and culturally rooted enterprise that:

- Resists exploitative systems
- Strengthens local self-reliance
- Redistributes power, warmth, and wealth
- Protects the vulnerable through action, not pity
